Highlights of 2016

2016 was a arduous year: the main floor of the Library was closed for six months for renovation. But the results were worth the wait!

These capital improvements were made possible by the Pennsylvania Keystone Recreation Park and Conservation Fund, the Arcadia Foundation, the Pottstown Health and Wellness Foundation, and many individual and corporate donations. Thank you to the Borough of Pottstown for advising and administering this grant.

During 2016, Library staff worked to refine and improve materials and services. Some of the new services include ROKUs, wireless HotSpots, cake pans, and museum passes. Another major focus was a collection analysis to ensure multiple copies of items in demand, clean undamaged copies, and up-to-date relevant resources.

2017 holds more improvements! Some major donations are making it possible to plan improvements in the children's department, including new carpeting and additional public space. The Library is seeking additional sources of funding for these upgrades. We invite you to partner with us and discover the future.
